

## 3D Laminated Components 5-Year Warranty

3D Laminated components manufactured by Brushy Creek Custom Doors, LLC are warranted as stated below to the original customer for a period of 5 years from the original invoice date.

1) Against visible product defects that may occur during the manufacturing process due to workmanship or raw material issues. Defects or damages to the product that are attributed to shipping damage, installation, misuse, or normal product wear are not covered by this warranty.

2) Against delaminating product installed within normal interior conditions. 3D Laminated Components should not be used in any area where temperatures will exceed 150 degrees Fahrenheit. Components damaged due this excessive heat, in locations such as near a stove or dishwasher, will not be warranted.

3) Against surface discoloration of product installed within normal interior conditions and away from direct sunlight. Components showing a color variation of greater than 3.0 DE on the CIELAB Scale will be warranted.

4) Against warpage of the product that is more than 1/8" for components 20" or less in width and 40" or less in height. Components greater than these dimensions are not covered under this portion of our warranty. Also, components made at the request of the customer which vary from normal manufacturing specifications are not covered under this warranty.

With respect to 3D Laminated components manufactured by Brushy Creek Custom Doors, LLC the following stipulations will be in force and are acknowledged to be part of this warranty:

- This warranty does not cover freight damage, abuse, or cost of removal or installation. A claim of damaged goods or defects in material or workmanship should be made within 5 days from delivery date.

- This warranty applies only for replacement of the defective part. Replacement materials may result in a color variance in comparison to the originally installed components due to color changes by the material manufacturer and will not be considered a defect.

- Any items claimed to be defective may only be returned with prior authorization, and are subject to our inspection.

- There are no other warranties of any kind, expressed or implied.
